

Ulma PORE

Paper (Non Woven Tape)

Features:

- Latex-free & Hypoallergenic
- Lightweight, soft and gentle
- Air-permeable which allows the skin to breath
- Good damp skin adhesion
- Leaves minimal adhesive residue on the skin

Applications:

- **Securing** small to medium sized dressings on skin
- **Securing** lightweight tubing to skin
- **Securing** ostomy pouches
- **Repeated** taping to the same skin location
- For **Sensitive & fragile** skin
